### CERTAIN RESULTS

**Many a Kentucky Citizen Knows How Sure They Are.**

Nothing uncertain about the work of Doan's Kidney Pills in Kentucky. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical sufferer. Read the following statement:

Mrs. L. Varalli, living at 923 Fifth St., Louisville, Ky., says: "I am happy to say that Doan's Kidney Pills have been of great benefit to me and other members of my family. I frequently had attacks of backache and kidney trouble before using your remedy, but after using two boxes of the pills the trouble was entirely cured. I have recommended Doan's Kidney Pills to a great many of my friends for I attribute my present good health to the use of Doan's Kidney Pills. They certainly do all that is claimed for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Haynes & Taylor and J. H. Orme, druggists. 50c and \$1.00. Trial bottle free.

Every body on the farm spent last week gathering corn. The corn crop generally is better than was thought for.

### No Case of Pneumonia on Record

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates which causes constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. H. Orme.

### WHO USES HYOMEI?

**The Best People in Marion Say Haynes & Taylor Guaranteed in Catarrhal Troubles.**

No other remedy or treatment for catarrh has ever been as popular or made so many remarkable cures in Marion as Hyomei.

The best people attest its curative virtues, says Haynes & Taylor, who are the local agents. The fair way in which Hyomei was sold, to refund the money unless it gave satisfaction, was the best proof when it was introduced that it possessed unusual curative powers. Haynes & Taylor took all the risk of the treatment giving satisfaction, and left it to the purchaser to be the judge.

Later, when Hyomei was used and recommended by our well-known physicians and business men and their wives as a treatment that absolutely cured catarrh, no matter how serious or long standing, the sales rapidly grew and today there is no other remedy in Haynes & Taylor's stock that has such a large and staple sale.

The first breath of Hyomei's healing air kills all catarrhal poison.

Try Hyomei today on Haynes & Taylor's offer to refund the money if the treatment does not give you satisfaction.

### Pay Your Taxes.

Tax payers who have not yet settled their 1907 tax with Sheriff Flannery should remember that the law requires him to return all unpaid tax on Nov. 15th to the County Clerk, who issues warrants for all unpaid tax. This adds double cost and should be avoided in every case. The sheriff has worked hard to save the people of this expense. The law also requires that a list of delinquents be published in the county paper and the Fiscal Court at its October session ordered the sheriff to publish the list which of course would humiliate those who are in arrears, and they should make an effort to come up at once and save the officers of these unpleasant duties.

### GIRL CHILD ACCUSES MAN.

(Continued from first page.)

the time that if Howerton had done all he was charged with Caroline Watts' character had not been smirched.

Mr. Hutchen stated last night that the institution might find a home for Caroline Watts in some section of the state where the story of this affair would not reach her, although she would not be held blamable even if she remained in Crittenden county. However, she will not be permitted to marry Percy Howerton.

Mr. Hutchen said the warrant was procured at the instance of the county attorney at Marion, based upon the story told by the child. The grand jury will convene there on the third Monday in this month and the case will then be thoroughly investigated. Miss Watts will remain there until after the case shall have been disposed of.

P. A. Howerton, father of Percy Howerton, is a highly respected citizen of Crittenden county. He took the girl into his home and there she remained until the story of the alleged tragedy came to light. The son returned home seven months ago and lived with his parents, thereby being thrown in company with Caroline Watts.

The Kentucky Children's Home Society will look after the prosecution of all persons guilty of abusing its wards in any way and in cases where charges like those against Howerton are made the agents are given orders to run down the accused at all hazards and at any expense.

City Marshall Albert Cannon, of Marion, will come to Henderson this morning and take Percy Howerton back to that place to await trial.—Henderson Gleaner.

### A California Letter.

San Diego, Cal., Nov. 1, 1907

Mr. S. M. Jenkins,

Dear Sir:—Inclosed find \$1.00 for which please send me the Record Press. I have not seen one since July.

I left Harrisburg, Ill. about Sept. 22nd. I went to St. Louis from St. Louis to Kansas City, from there to El Paso, Tex., from there to Los Angeles, Cal., stayed there four days, thence to San Diego. This is the finest climate I ever saw. They tell me it frosts a little, but not enough to do any damage. To day at two o'clock the mercury stood at 76 degrees, about the warmest day since I have been here. We have a nice breeze after 9 o'clock. I am working at my trade at 50 cents per hour. When I am here longer I can tell you more. M. T. Worley
